- A *Yankee Musician in Europe: The 1837 Journals of Lowell Mason* (Broyles, e; Pemberton, r) 4:490-92

## Charles Ives: "My Father's Song"

*A Psychoanalytic Biography*

Stuart Feder

Feder tells the moving story of the life of Charles Ives and his relationship with his father, George, showing how a knowledge of the relationship of father and son, teacher and pupil, is central to an understanding of Ives's work.

"Feder reveals the autobiographical significance of Ives's output of songs. This biography is unique and will be indispensable."—James Sinclair, Executive Editor, Charles Ives Society  
Illus. \$35.00

Ives Collection, Music Library, Yale University

## "Music of the Highest Class"

*Elitism and Populism in Antebellum Boston*

Michael Broyles

There is a fundamental duality in American musical culture between classical music, which is regarded as art, and vernacular music, which is viewed as entertainment. Broyles examines this duality from a social-historical perspective.

"A very important and intriguing book."—Peter Buckley Illus.
